*Privacy Statement

While collecting information, to facilitate purchase, shipment and use of our products Westech Health Care Ltd. (WHCL) maintains the confidentiality and privacy of individuals' personal and health information in compliance with the Freedom of Information and Protection of Privacy Act and the Health Information Act.

WHCL will not collect, use or disclose personal or health information in any manner that is not in accordance with the Freedom of Information and Protection of Privacy Act, the Health Information Act, or their established policies. WHCL will only use information required to facilitate the order and delivery of healthcare products we sell and market, as it pertains to product samples, information and product specifications, warranty, and the necessary maintenance of Health Canada Medical Devices Program records.

The WHCL web site, and any of its affiliate entities, may collect personal or health information upon voluntarily completion of any of our online application forms. Personal or health information collected will only be used for the stated purposes. Information is collected pursuant to section 33 of the Freedom of Information and Protection of Privacy Act and sections 18–24 of the Health Information Act, as applicable.

Any information collected in the form of visitor's Internet Protocol address, web browser and pages accessed history is used internally by WHCL in an aggregate form, to help us manage and improve content to better serve you.
